I know this isnt really show and tell but check out this guys retro collection he is selling on ebay

http://cgi.ebay.com/Video-Game-lot-20-systems-822-Games-NES-SNES-SEGA-32x_W0QQitemZ220227764778QQihZ012QQcategoryZ31583QQssPageNameZWDVWQQrdZ1QQcmdZViewItem

Its a serious amount of games. Not a high price at the moment.

\$385???

WTF???

Does anyone out there see what this man has???

I'd assume the P+P to be \$385 alone!

Ben, if you're gonna post as news you better hurry up, only 13hours left until it ends...
